(1) Where any of the shares of stock of a corporation are no par value stock and such shares were authorized prior to April 21, 1931, such shares of no par value, for corporations domesticated prior to such date, are to be reckoned at a value of \$100.00 per share (Sec. 5111, R. S. Mo., 1929) for the purpose of determining the fees due from such corporation. If such shares were authorized subsequent to such date, or if such corporation was domesticated subsequent to that date, such shares are to be reckoned at their actual value, but in no case less than \$5.00 per share (Laws 1931, p. 299). Where a corporation, domesticated prior to April 21, 1931, has stock of no par value, some of which was authorized before and some after said date, this affidavit should be amended to show the amount of each separately.

(2) In appropriate cases, the words "not in excess of" may be inserted here, but should not be included elsewhere.
